8. **Planning Matters** 26/020
2025/3977 - Land To The Rear Of The Pelican Public House, Norwich Road: Outline permission for erection of 2 no. self-build/custom build dwellings with all matters reserved except access.
The Council's objections to this planning application had been submitted and were available to view on the South Norfolk Council planning website.
9. **To adopt the 2026 Standing Orders.** 26/021
The Council unanimously **AGREED** to adopt this document.
10. **To receive an update in relation to the possible refurbishment of the thatched bus shelter.** 26/022
Cllr Pincher had requested quotes from four local thatchers to re-thatch the ornamental bus shelter, but had not received any responses. Cllr Hayward noted that there was a reported lack of thatchers in Norfolk. County Cllr Carsok suggested funding from the District Council may be available. Cllr Darrell offered to investigate the possibility of apprentices undertaking the work. If any quotes were forthcoming, an application to South Norfolk Council for funding would need to be made before the next Parish Council meeting.
11. **To discuss the Village Hall play equipment project.** 26/023
Cllrs Pincher and Darrell reported that three quotes had been obtained by TAFRA in relation to the refurbishment/replacement of the play area, including a footpath from the car park. These quotes were in the region of £50,000. Some grant funding was available for the project, but the Parish Council was being asked for a contribution. Following a discussion, the Council **AGREED** to ask TAFRA for the costs of items of play equipment, to enable a decision on whether to donate any play equipment to TAFRA to be made.
12. **Highways Matters.** 26/024
a) The fence on Highways land outside The Lakes was discussed. District Cllr Carsok reported that the positioning of the fence had been reported to the Planning Enforcement team and was being investigated – she would chase this up with those involved.
b) Cllr Darrell highlighted the deficiency of the existing 'Recreation Centre' sign at the end of Westway. Cllr Pincher offered to raise the issue with Highways.
13. **To confirm the date of the Annual Parish Council meeting as 13th May 2026 at 7pm.** 26/025
This was unanimously **AGREED**.

The meeting ended at 8pm.
